

Privacy Policy

Privacy Statement for iTechGuide iTechGuide.com has created this privacy statement as an expression of our firm commitment to your privacy. The following discloses our information gathering and dissemination practices for this website: iTechGuide. We use your IP address to help diagnose problems with our server, and to administer our Web site. This site contains links to other sites. iTechGuide is not responsible for the privacy practices or the content of such Web sites. iTechGuide does not employ the services of any 3rd party emailing systems. Consequently, our customers can be assured that their data is never sold, traded, or otherwise provided to any other party. Public Forums This site makes chat rooms, forums, message boards, and/or news groups available to its users. Please remember that any information that is disclosed in these areas becomes public information and you should exercise caution when deciding to disclose any personal information. Choice/Opt-Out Our site provides users the opportunity to opt-out of receiving communications from us at the point where we request information about the visitor. This site gives users the following options for removing their information from our database to not receive future communications or to no longer receive our service. You can send email to us by clicking [here](#). Correct/Update This site gives users the following options for changing and modifying information previously provided. Change or modify information [here](#). Contacting the Web Site If you have any questions about this privacy statement, the practices of this site, or your dealings with this Web site, feel free to contact us via services@iTechGuide.com
